Important Online Resources for Students

Resources on the UNF Academic Advising Page - (www.unf.edu/academic-advising)

Tutorials – step-by-step guides to common activities

- **How to Log into myWings**
- **How to Add Yourself to the Waitlist**
- **Find Your Degree Evaluation**

Academic Services – links to other offices you might need to visit during your studies here

Academic Policies – important policies that affect you during your studies here

(...and many other important links for you)

Important Items on the "Student Tab" of myWings

"Registration Tools and Resources" channel

Add or Drop Classes – during registration period, enter CRNs to add classes and select classes to drop; after drop/add, this form is used for withdrawing from a class

Lookup Classes – find available classes once the schedule is published

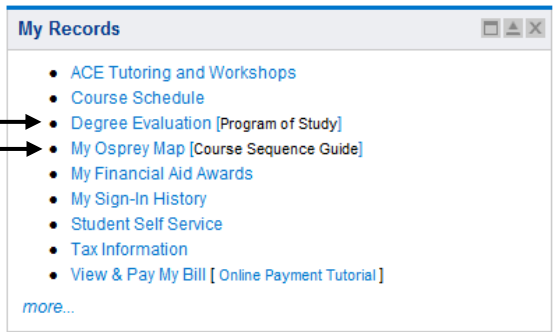
Time tickets & Registration Holds – your assigned date/time when you can start registering and any holds that prevent you from registering

1. Click Registration Status
2. Select the Term in the dropdown
3. Review the results for your time ticket if available.
4. Click "View Holds" at the bottom to see details of any holds.

"My Records" channel

My Osprey Map – course sequence guide showing recommended term-by-term schedule

Degree Evaluation – personalized listing of degree requirements for your selected program



Important Online Resources for Students

Important Items on the "Student Tab" of myWings (cont.)
