Wilburn, S.T. (2004, October). *The impact of parental involvement on adolescent substance use intervention*. Florida Alliance for Health, Physical Education Recreation and Dance, 55th Annual Conference, Orlando.

Wilburn, S.T. (2004, October). *Evaluation of an African-American faith-based management program*. Florida Alliance for Health, Physical Education Recreation and Dance, 55th Annual Conference, Orlando, FL.

Wilburn, S.T. (2004, October). *A comprehensive and collaborative model for reducing substance use and violence in rural middle schools*. Florida Alliance for Health, Physical Education Recreation and Dance, 55th Annual Conference, Orlando, FL.

Wilburn, S.T. (2004, November). *Evaluating a comprehensive model for reducing substance abuse and violence in rural middle school*. American Public Health Association 132nd Annual Meeting, Washington, DC.

Zhao, Mei. (2005, June). *Hospital finance, staffing decisions, and patient quality of care*. Annual Academy Health Research Meeting, Boston, MA.

School of Nursing

Bloom, K.C., & Bednarzyk, M.S. (2005, June). *Obstetric screening practices of nurse practitioners and Certified Nurse-Midwives in low risk pregnancies.* American Academy of Nurse Practitioners Conference, Ft. Lauderdale, FL.

Carlson, J. & **Chally, P.** (2004, November). *Role of spirituality in rehabilitation for an aging population.* American Public Health Association Annual Meeting, Washington, DC.

Comeaux, J. (2005, May). *Instruction of infusion therapy techniques in a baccalaureate nursing program.* 2005 Infusion Nurses Society (INS) Meeting & Industrial Exhibition, Fort Lauderdale, FL.

Comeaux, J., Sander, J. (2005, May). *Instruction of infusion therapy techniques in a baccalaureate nursing program.* Poster presentation at the 2005 Infusion Nurses Society (INS) Meeting & Industrial Exhibition, Fort Lauderdale, FL.

Wood, D., Winterbauer, N., & **Kruger, B. J.** (2005, April 22). *Creating primary care medical home in Jacksonville: How is it going?* 21st Annual Conference on Children with Special Needs, Birth-Five. Jacksonville, FL.

Kruger, B. J., & Bush, K. (2004, October). *How to initiate a community-campus partnership: Lessons from Fun 2B Fit.* Annual Meeting of the Alliance of Health, Physical, Education, Recreation and Dance, Orlando, FL.

Kruger, B. J., Bush, K., & **Meires, J.** (2004, July). *Childhood obesity prevention: A community-campus partnership.* Poster presented at the Florida Public Health Association Annual Meeting, Orlando, FL.

Carlson, J, **Moore, M.,** Werch, C., & **Chally, P.** (2004, November). *Results of a brief alcohol misuse prevention intervention for freshman residential college students.* American Public Health Association Annual Meeting, Washington, DC.

Robinson, K. (2005, May). *It's alive: Atherogenesis, a dynamic inflammatory process.* In program and proceedings, National Teaching Institute American Association of Critical Care Nurses, New Orleans, LA.

Trice, L. B., & Thurmond, T. (2004, December) *Practice and education: Partnering to meet the perioperative nursing shortage.* Poster session presented at the annual meeting of the Southern Regional Education Board, Council on Collegiate Education in Nursing, Atlanta, GA.

Department of Athletic Training & Physical Therapy

Buckley, B. D. (2004, June). *Comparison of muscle activation patterns in boys and girls during a simple landing task*. Oral presentation at the National Athletic Trainers' Association Clinical Symposia, Baltimore, MD.

Beam, J. W. (2005, June). *Instruction of wound management in entry-level undergraduate caahep accredited athletic training education programs*. NATA Research & Education Foundation Free Communications, National Athletic Trainers' Association Clinical Symposia, Indianapolis, IN.

Beam, J. W. (2004, June). *Incidence of skin trauma associated with participation in intercollegiate baseball*. NATA Research & Education Foundation Free Communications, National Athletic Trainers' Association Clinical Symposia, Baltimore, MD.

Daubenmire, R. E., Anderson, M. S., & **Beam, J. W.** (2004, June). *Incidence of skin trauma associated with participation in off-season intercollegiate football and soccer*. NATA Research & Education Foundation Free Communications Undergraduate Poster presented at the National Athletic Trainers' Association Clinical Symposia, Baltimore, MD.

Joyce, C. J. (2004). *Rehydration in the Football Athlete*. Moderator and Panelist at the National Athletic Trainers' Association Clinical Symposium, Baltimore, MD.

DSRT Contracts and Grants

Department of Public Health

Christie, C. (2004), "Body and soul: A faith based health improvement initiative," AME Ministerial Alliance and Department of Health and Human Services. \$18,980.00.

Clark, K. L. (2003-2005), "Ecology of tick-borne pathogens in the southeastern USA," UNF College of Health Research Professorship, \$54,000.

Harrison, J.P. (2004-2007), "The impact of quality and efficiency on value in healthcare," UNF College of Health Research Professorship, \$58,000.

Werch, C. W., **Moore, M. J.**, DiClemente, C., Ames, S. & Schroeder, D. (2004), "A selective prevention program for high school seniors," National Institute on Drug Abuse (NIDA), funded for a five-year period at \$2,461, 000.

Werch, C., **Moore, M. J.**, DiClemente, C., Ames, S., Webb, F., & Schroeder, D. (2004), "Brief positive image communications for adolescents," National Institute on Drug Abuse (NIDA), funded for a three-year period at \$1,673,000.

Moore, M. J. (2004), "Review of substance abuse prevention programs for the substance abuse and mental health services administration (SAMHSA) National Registry of Effective Programs and Practices," sub-contract through the Manila Consulting Group, Inc, funded for a five-year period at \$195,474.

Nyquist-Battie, C. (2005), "Effects of low shear modeled microgravity on the detection of Escherichia coli, a potential bacterial contaminant of water supplies in long-term space flight," student summer scholarship, Florida Space Consortium.

Nyquist-Battie, C. (200), Real time/near real time detection of pathogens and toxins associated with food and water," Department of the Army, subcontract (Daniel Lim, USF), \$858,000.

Patterson, J. Co-Investigator (2004), "Rehabilitation counselor pre-service and post-employment education program," funded for a five-year period at \$2,461, 000 (\$149,693 04-05).

Rodriguez, J. (2005), "Addressing Hispanic health issues through direct service and cultural sensitivity training project," Aetna, \$42,000.

Watkins, J. (2004-2007), "Association of situation self efficacy and binge eating severity in college students," UNF College of Health Research Professorship, \$54,000.

Weerts, S.E. (2004), "Body and soul: A faith-based health," DHHS/OPHS Office of Minority Health Improvement Initiative, \$193,331.00 (of which \$6,000 is budgeted for me as co-evaluator) Submitted 8/4/04.

School of Nursing

Bloom, K.C. (2003-2006), "Pregnancy outcomes of a group-oriented model of prenatal care for low-income women," UNF College of Health/Brooks Health Fund Dean's Professorship, \$54,000.

Chally, P., and Loriz, L. (2004), "Volunteers in Medicine Clinic Director," Volunteers in Medicine, Jacksonville, FL, \$70,000.

Loriz, L. (2005), "Advanced education nursing traineeship grant," Department of Health and Human Services, Washington, DC., \$14,157.

Olinzock, B. (2004-2007), "The learning trajectory for patients with spinal cord injuries and the teaching trajectory for spinal cord injury nurses in a rehabilitation setting: A descriptive study," Brooks Professorship Research Grand Award, University of North Florida College of Health, \$20,000.
