

## Provost's Task Force Timeline 2007-08

### Task Force charge:

to clarify and articulate the mission of the university;  
to define the goals that would derive from this mission, especially with regard to academic programs and quality;  
to anticipate resource allocations that would be required to implement the mission

### Summer 2007

Recommendation to create a task force chaired by the Provost to review and refine the University's mission statement and goals as well as create a vision statement. This process should better align the University's strengths and identity.

### September, 2007

Provost's all-faculty Task Force formed.

### October, 2007

Task Force asked to identify what UNF's perceived strengths and weaknesses are and to begin considering the difference between the mission statement (current) and the vision statement (aspirational);  
first draft of the mission statement begins to emerge.

### November, 2007

Task Force drafts vision statement;  
further refinement of mission statement continues;  
vision statement shared at President's retreat;  
vision statement shared at Board of Trustees workshop.

### December, 2007

Members of Task Force share drafts with students and colleagues;  
Task Force begins process of identifying goals.

### January, 2008

Goals further refined;  
strategies identified to gain campus input.

### February, 2008

Campus-wide online survey distributed for feedback to mission, vision, and goals;  
Vice President for Student and International Affairs, Dr. Gonzalez invites Task Force to consider core set of values;  
results of survey analyzed by Task Force members.

### March, 2008

Faculty discussion session held to gather input on drafts of mission, and vision;  
A&P session held.

---

### April, 2008

Task Force drafts UNF values;  
Task Force discussion at Academic Affairs retreat;  
Strategic Planning Advisory Council, SGA, and USPS discussion session scheduled;  
Adoption of mission, vision, goals, and values statements at April 17<sup>th</sup>, 2008 BOT meeting agenda.

### May, 2008

Incorporation of mission and vision statements in BOG Compact, and SACS compliance report.
