

# University-wide INFORMATION SCIENCE MINOR

## Effective as of Spring 2008 (catalog 2007-2008)

- Minor = 17.0 required upper hours + 9.0 prerequisite lower hours
- At least 14 hours of upper-level coursework must be taken at UNF.
- Arrows indicate prerequisite course(s)
- All courses are 3 credit hours unless otherwise indicated
- Not available for majors in the School of Computing, as of Spring 2010
- Pattern of typical offering: F=Fall, Sp=Spring (subject to change)
- Satisfactory Progress: A 'one repeat' rule is enforced. Students not completing a CIS prereq or core requirement on the first attempt, including W, WP, or WF, will have only one chance to repeat the course.

Note: All course prerequisites must be met before taking any CIS course.
