

Directly Linking to a SkillSoft Learning Spark

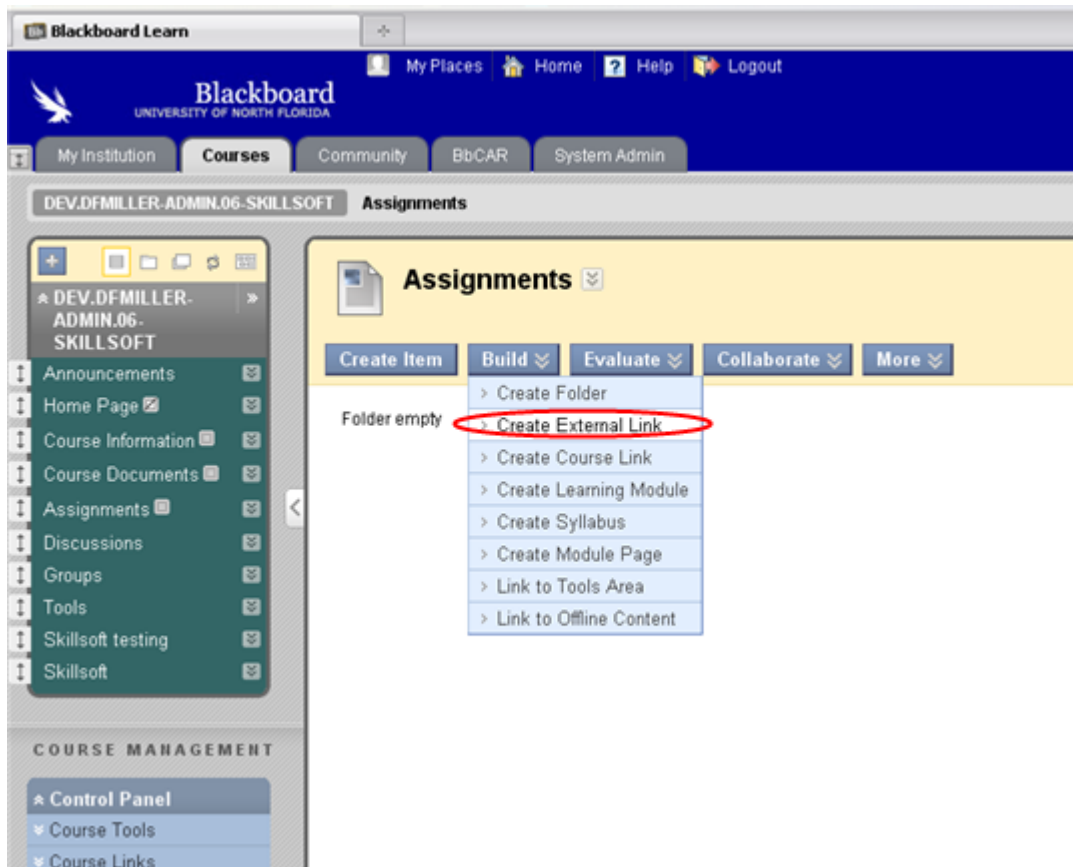

1. Log into myWings
2. Click the SkillSoft link in the QuickLinks list
3. Click the Microsoft Office 2007 Knowledge Center link on the main page.
4. Near the bottom of the page, click the arrow to enter Learning Sparks

5. Select a topic and click the launch button.
6. After the Learning Spark begins playing, highlight and copy the URL at the top of the window.

- In Blackboard, go to the content area in which you want to place the Learning Spark, and create a new External Link.

- Give the item a name, then click in the URL box and paste (CTL-V) in the address. Set any desired options and click Submit.
