

XXX Annual Southeastern Psychological Colloquy
October 24-25, 2008
St. Augustine, Florida

Presentation Information:

Please email the following information to Dr. Cliff Ross (cliff.ross@unf.edu) by October 3, 2008:

1. Type of presentation: Oral or Poster. Posters shall be put up on poster boards via pins (which we will provide). Talks will be given in PowerPoint format. Please bring files on CD or USB Memory Sticks, as we can never be sure of Internet availability.

For Mac users, while these are superior machines, there are times in which compatibility issues raise their ugly heads. Thus, please check your talk on a local PC to make sure that all images and tables make the conversion.

2. Title

3. Authors and affiliations

4. Presenting author and academic status (i.e., student, postdoc, faculty member, professional, etc.). In scheduling talks, students and postdocs will have first priority.

Please note that it is not necessary to send an abstract.

Submission deadline is October 3, 2008.
