presents

# OCTUBAFEST 2009

The Mass Tuba and Euphonium Ensemble rehearsal and its performance are open to all area student, amateur, and professional musicians. All ensemble participants need to attend rehearsal in order to perform on the concert. Music will be passed out at the rehearsal. Please bring a music stand! We request that participants wear nice attire (no jeans or t-shirts).

Dr. Dickman and Dr. Perry will address low brass performance issues and ways to improve your playing. This is an excellent opportunity to be exposed to some of America's finest low brass artists.

The concert will feature, Dr. Rich Perry from Southern Mississippi, Dr. Marc Dickman from the University of North Florida as well as student performers from FSCAJ and UNF.

All events are free and open to the public. This event is being held on the University of North Florida Robinson Theatre 1 UNF Drive, Jacksonville, FL. For more details contact Dr. Marc Dickman at (904) 620-3841 or mdickman@unf.edu
