

Save on All Your Pet Care Needs!

The University Of North Florida is proud to present **Pet Assure** to our employees, the pet discount plan that offers significant savings on out-of-pocket pet care expenses.

Pet Assure, founded in 1995, helps reduce the cost involved in caring for your pets. Because we are not insurance, there are NO exclusions. Every pet in your household is covered, regardless of age, breed, or any pre-existing/hereditary conditions. Provide your family pet with comprehensive protection.
