

Application
Post-Baccalaureate Pre-Medical Professions Program
University of North Florida

The UNF Post-baccalaureate Pre-Medical Professions program offers several benefits to students officially registered with the Office of Pre-Medical Professions. Among the benefits are:

- Early priority for UNF course registration
- Certificate of Program Completion for students who complete 30 hours of academic work at UNF and who maintain minimum post-baccalaureate GPAs of 3.3 overall and 3.5 in science and math.

Note: Students must maintain these minimum GPA requirements to remain in good standing in the program.

To be accepted into the program, post-baccalaureate students must send to the address below:

- This completed application, with a \$15.00 processing fee (payable to the UNF PreMed Program)
- Transcripts of all post-*secondary* academic work (copies issued to the student are acceptable)
- Copies of any medical admissions test scores (if applicable) e.g., MCAT, DAT, OAT, PCAT, GRE, (copies of test results received by the student are acceptable)
- Two letters of recommendation, at least one from a former university or college instructor
- A résumé (two pages maximum)
- A personal statement concerning the applicant's career goals and motivation for entering the UNF Post-Baccalaureate Pre-Medical Professions Program

1 This application is for registration with the Post-Baccalaureate Pre-Medical Professions Program only.

Students must apply separately for admission to UNF through its Office of Admissions:
