*Development account assignments are used only when the PI does not have an active award. If the PI has an active award, then their assigned GAFM coordinator will assist with purchases from a development account. Should the PI have multiple GAFM coordinators, either coordinator can assist with purchases on a development index. If the PI does not have an active award, then the development account assignments listed above should be used.

*Pcard purchases on active awards should be directed to the assigned GAFM coordinator. Should the PI have multiple GAFM coordinators, either coordinator can assist with pcard purchases.
