IMPORTANT INFORMATION ABOUT YOUR CHOICE

Your local county tax collector's office or license plate agency may assist you in determining if a specific type of license plate is available, as well as the choice for personalization and the total cost of the license plate you desire, including trucks (with a net weight of more than 5,000 pounds), "for-hire" vehicles and trailers.

- Your choice may include letters, numbers, a space or hyphen as characters. **License plates that have 7 characters may have an additional space or hyphen. However, license plates that have 5 characters, may NOT have an additional space or hyphen.**
- Requests with obscene or objectionable words will be rejected. If a personalized license plate has been issued and later determined to be obscene or objectionable, the department may recall the license plate.
