Meeting convened at 12.15 pm

Cheryl provided an update on bargaining. Contract not signed yet. Salaries are agreed upon. Sticky point now is the duration of the contract. Administration wants to end this contract in May 2006 and reopen the whole contract for bargaining in June. UFF/UNF wants contract to run for at least two more years since that would give time to see what works and what does not. Cheryl is waiting for response from Leonard Carson. Another sticky point is the release time for UFF/UNF for union work. Administration offered 1 spring and 2 summer. Union asking for 3 maximum.

A contribution of \$200 was approved for Ann Feeney concert, as requested by Stan Swart.

Membership lists were gone over.

Meeting adjourned at 1.15 pm
