Issue: Bachelor of Science in Sign Language Interpreting

Proposed Action: Approval

Background Information:

The approval of undergraduate and master's degree programs is vested within the authority of the University of North Florida's Board of Trustees. In accordance with these procedures, the University is submitting its request to the Board of Trustees to add a new academic program. This request is to initiate a new undergraduate degree in Sign Language Interpreting. The degree would be offered through the College of Education and Human Services.

The proposed degree has been reviewed by the Faculty Association, approved by the Provost and the President, and approved by the Educational Policy Committee.
