**Issue:** Bachelor of Science in Interdisciplinary Sciences

---

**Proposed Action:** Approval

---

**Background Information:**

The termination of undergraduate and master's degree programs is vested within the authority of the University of North Florida's Board of Trustees. In accordance with these procedures, the University is submitting its request to terminate an academic program. This request is to terminate the undergraduate degree in Interdisciplinary Sciences, within the College of Arts and Sciences, Department of Chemistry and Physics. This request was approved by the Educational Policy Committee.

The degree has not been used since the initiation of majors in biology, chemistry and physics.
