**Background Information**

The purpose of this item is to present proposed amendments to the 2007 - 2008 tuition and fee regulations. In accordance with the Board of Governors Regulation Development Procedures, the tuition and fee regulations will be promulgated as emergency regulations. Emergency promulgation is being undertaken in order to protect public interest and ensure the amended rates and fees are in full force and effect for 2007 - 2008 academic calendar. Once the full Board of Trustees has voted to adopt the select regulations (tuition and fee regulations) as emergency regulations, they will become effective immediately and will remain in effect for 90 days. The select regulations will be promulgated simultaneously as non-emergency regulations and submitted to the Board of Governors for final approval. The Board of Governors will have up to 60 days to approve or disapprove the select regulations.

Approval required, with the express delegation of authority to the President to revise in accordance with any future BOG directives, in consultation with the Chair.
