

UNF Educational Policy Committee

May 17, 2007

Issue Master of Science in Civil Engineering

Proposed Action Approval

Background Information

The approval of undergraduate and master's degree programs is vested within the authority of the University of North Florida's Board of Trustees. In accordance with these procedures, the University is submitting its request to the Educational Policy Committee to add a new academic program. This request is to initiate a new master's degree in Civil Engineering. The degree would be offered through the College of Computing, Engineering, and Construction.

The proposed degree has been reviewed by the Faculty Association and approved by the Provost and the President.
