Issue New Degree/Major Programs Policy

Proposed Action Approval

Background Information

The New Degree/Major Programs policy is being presented to the Board of Trustees for review and approval, in compliance with the Board of Governor's (BOG) policy.

The BOG has asked each university to modify its new program approval policy to meet their recommended standards. This revision in our policy puts us in line with these recommendations. In substance we were doing what the BOG policy requested, but the revised UNF policy clarifies the format.

This policy has been vetted by Academic Affairs and the Council of Deans, and presented to the Educational Policy where it received a motion for approval to the full Board.
