## DEPARTMENT OF EDUCATION

Division of Universities  
University of North Florida

### REGULATION TITLE:

Schedule of Tuition and Fees

### REGULATION NO.:

11.0010R

### SUMMARY:

The proposed regulation is being amended to reflect a 5% increase to undergraduate tuition effective January 2008, as approved by the Florida Board of Governors on September 27, 2007.

### STATEMENT OF FACTS AND REASONS FOR EMERGENCY REGULATION:

The emergency regulation is necessary in order to timely implement rates and fees for the Spring 2008 registration period. The regulation shall ensure the tuition and fee amounts charged by the University are appropriately adopted in regulation form as the ability to collect such fees has been relied on in developing the University's budget. The ability to continue to assess the tuition and fee amounts is vital to the fiscal welfare of the University and as such the University must proceed with the regulation authorizing such tuition and fees on an emergency basis. Pursuant to the Regulation Development Procedures, the emergency regulation is valid for ninety (90) days, thus a permanent regulation which mirrors the revisions herein will be promulgated.
