Issue Fall 2007 Student Profile

Proposed Action Discussion

Background Information

In the continued effort to keep trustees apprised of current metrics and trends within the University, Mr. John Yancey, Director of Admissions, and Associate Vice President Deb Kaye will present a progress brief on current fall enrollments and the profile for this year's first-time-in-college students.

This is Ms. Kaye's and Mr. Yancey's annual report. They will be providing handouts on our current profile. SAT scores have risen to 1177.

This report was presented to the Educational Policy Committee with no requests for further information.

Supporting Documentation: Provided at the meeting.
