

UNF Board of Trustees

April 17, 2008

Issue Admissions Regulations

Proposed Action Approval of New Regulations and Repeal of Old Rules

Background Information

The purpose of this item is to present for review and approval Admissions regulations that are current and consistent with the BOG regulations and current University practices concerning admission to the University of North Florida. These regulations are being presented for approval and for adoption as regulations, consistent with the Board of Governors Regulation Development Procedures [Effective July 21, 2005]. The Notices of Repeal are being presented in order to repeal the outdated rules, consistent with the Board of Governors Regulation Development Procedures. The regulations will be promulgated as select regulations and as such will require final approval by the Board of Governors.
