Issue Legislative Budget Request (LBR)

Proposed Action Approval

Background Information

Provost Workman will present the proposed Legislative Budget Request for funding of the Academic Roadmaps Initiative. One of the goals in the BOG strategic plan and necessary for Legislative Budget Request funding requests is Access to and Production of Degrees. The Academic Roadmaps system is designed to track student progress through their studies.

The purpose of this item is to seek approval for the Academic Roadmaps proposal as a proposed Legislative Budget Request. The University also requests that the Board chair be given authority to approve modifications to this proposal based on input from the Board of Governors and/or its staff.
