Proposed Action Approval

Background Information

In a resolution adopted by the Board of Governors (BOG), with respect to personnel and collective bargaining, the UNF Board of Trustees was designated as the sole public employer for purposes of collective bargaining negotiations for its employees.

The United Faculty of Florida (UFF) and the collective bargaining committee appointed to represent the University of North Florida’s Board of Trustees have come to agreement on changes to the previously approved faculty collective bargaining agreement. Approved by UNF’s faculty, these changes are attached and are being submitted for ratification by UNF’s Board of Trustees.
