RE: Capital Improvement Fee Project List

Dear Ms. McKee,

Pursuant to Mr. Ramon Padilla's memorandum dated February 1, 2008 the attached form shows the proposed list of Capital Improvement Fee Projects for the University of North Florida. Please note we have provided additional estimated cost below the break line as the total costs exceed the proposed 2008-2009 Capital Improvement Fees Allocation.

The University will seek Board of Trustee approval at the next regularly scheduled meeting which will be no later than April 15, 2008.

Sincerely,

R. Bruce Taylor
