

**UNF Board of Trustees**  
April 16, 2009

**Issue**                      Program Approval: Masters of Science in Mental Health Counseling

---

**Proposed Action**      Approval

---

**Background Information**

The approval of undergraduate and master's degree programs is vested within the authority of the University of North Florida's Board of Trustees. In accordance with these procedures, the university is submitting its request to add a new academic program. This request is to initiate new master's degree in mental health counseling. This degree would be offered through the Brooks College of Health.

The proposed degree has been reviewed by the Faculty Association and approved by the Provost and the President. The proposed degree has also been reviewed by the Educational Policy Committee and is being recommended for approval by the full Board.
