

**UNF Finance and Audit Committee**  
September 30, 2009

**Issue**                    Master Plan Evaluation and Appraisal Report

---

**Proposed Action**      Approval

---

**Background Information**

The Board of Governors requires the Board of Trustees to approve the master plan evaluation and appraisal report.

Vice President Shuman will address the committee and provide a short narrative of the university's assessment of how successful the current master plan is in meeting the goals, objectives and policies as stated in the master plan.
