

**UNF Board of Trustees**

June 16, 2005

**Issue:** Goals for BOG Strategic Plan

---

**Proposed action:** Approval

---

**Background information:**

The Board of Governors has requested boards of trustees to submit measures that will track each university's progress in meeting the goals established in the Board of Governors' Strategic Plan. Attached are the measures the UNF administration recommends for use in tracking UNF enrollments, graduation rates, numbers of minorities receiving baccalaureate degrees, pass rates on certification and licensure examinations, and research expenditures.
