(904) 620-1360

Greetings

The University and The Graduate School at UNF are pleased to welcome you and hope to offer you every possible encouragement in pursuing your educational aims at the University of North Florida. Currently, the University of North Florida offers three doctoral and 27 master's degrees. Most of these master's degrees contain more than one specialized track to meet student needs. In addition, UNF offers several post-baccalaureate or post-masters certification programs that result in a student's either receiving a non-degree certificate awarded by UNF or in the completion of the course work required for state licensure or certification.

Most of our programs accept both full-time and part-time students. Most of our programs also accept applicants year round and invite you to apply to begin in fall semester, spring semester, summer A term, or summer B term.

Doctoral Programs

Brooks College of Health

Doctor of Nursing Practice

Doctor of Physical Therapy

College of Education and Human Services

Doctor of Education in Educational Leadership

Masters Programs

Brooks College of Health

Master of Science in Health

Teacher Certification

Counselor Education: Advanced Certificate

- School Counseling

Educational Leadership

- School Leadership (Administrator Certification)
- Certification of Transformation of Conflict

Collaborative Programs in Engineering

The University of North Florida serves as a FEEDS (Florida Engineering Education Delivery System) center, facilitating the delivery of engineering graduate degree programs and courses in the First Coast region. The FEEDS provides a distance learning link between the classroom and engineers unable to attend classes on campus. Course materials originate at FEEDS centers located in Florida colleges of engineering with accredited degree programs. For information visit UNF's website at www.unf.edu/ccec or e-mail feeds@unf.edu.
