State Foreign Language Requirement

Foreign Language Requirement By action of the Florida Legislature, undergraduate students who enter a state university in Florida are subject to a foreign language admission requirement. To satisfy the requirement, a student must present evidence of: 1) the completion of two years of sequential foreign language or American Sign Language study in high school, or 2) the completion of 8-10 semester hours of sequential foreign language or American Sign Language at the post-secondary level, or 3) proficiency through a satisfactory score on the MAPS test for Latin or CLEP foreign language examination.

Transfer students are exempt from this requirement if they received an associate in arts degree before September 1, 1989, from a Florida public community college or university or were enrolled before August 1, 1989, in an associate in arts degree program at a Florida community college and maintained continuous enrollment until admitted to the University. These students do not have to take a foreign language to be admitted to the University; neither do they have to take it prior to graduation unless the program major has a foreign language graduation requirement.

The University may admit applicants who do not meet the foreign language admissions requirement as exceptions. Students admitted as exceptions must complete 8-10 semester hours of foreign language study or 8-10 semester hours of American Sign language or prove proficiency in a foreign language prior to admission at the upper-level through a satisfactory score on the College Entry-Level Assessment (CELA), formerly (MAPS) test, or CLEP foreign language examination. To prove proficiency in a native tongue other than English, students must submit a valid high school academic transcript from their home country.
