I. OBJECTIVE & PURPOSE

To establish policy and procedures for students who have not continuously enrolled at the University.

II. STATEMENT OF POLICY

Former UNF students who have not enrolled for three consecutive terms must submit a Student Update form to One Stop Student Services at least six weeks before the term begins. Another application fee is not required unless the student intends to seek a degree and has not previously paid an application fee. Students who must reapply are subject to any new admissions requirements and to the program requirements published in the catalog for the academic year in which they reinitiate enrollment at UNF.

Students who have been admitted to UNF, but have not attended must update their application six weeks prior to the start of the term in which they plan to enroll. Applications for students who did not attend are inactive one year following the intended term of matriculation and therefore must be updated for admission.
