

# **CCEC International Experience Grant Application Information, Guidelines and Application College of Computing, Engineering and Construction**

If you want to participate in one of the College of Computing, Engineering and Construction's International Experience Opportunities, you can apply for a grant of support from the College. This competitive scholarship provides funding for undergraduate and graduate international educational experiences that enrich academic and individual development. Scholarship recipients may receive \$1,500 to support a short-term (less than ten weeks) international activity. This support is made possible by generous donations from College supporters.

**Please Note: *Students awarded TLO funding or a SAILS grant will be ineligible to apply for a CCEC grant for the same activity.***

Preference will be given to applicants who have never received CCEC International Experience funding. Applying for multiple international experience activities using one application is not allowed. Only one application per international activity per term will be considered.

Applications will be reviewed by the Dean of CCEC in conjunction with the experience leader. The final awarding of this competitive scholarship funding will be contingent upon acceptance to a specific international activity and receipt of all necessary deposits. To be eligible for a CCEC International Experience Grant award, the program must be an official CCEC international experience program. All funds will be distributed through the UNF Office of Financial Aid.

**To be eligible for a CCEC International Experience Grant award, the applicant must (at the time of application and the time of participation):**

- Be a degree-seeking UNF student (Preference will be given to CCEC students);
- Be in good academic standing;
- Be in compliance with all University regulations, rules and codes of conduct governing students on campus;
- Be accepted (or have applied) to an approved CCEC international experience activity; and
- For a summer grant, you must have been enrolled at UNF in the previous Spring semester for a minimum of 6 credit hours.

# APPLICATION

**Name:** \_\_\_\_\_

**UNF N#:** \_\_\_\_\_

**Email:** \_\_\_\_\_

**Cell Phone#:** \_\_\_\_\_

**Current Major:** \_\_\_\_\_
