

DEPARTMENT OF BIOLOGY

UNDERGRADUATE COURSE MATRIX

2016-2017

This course matrix is intended to be a guide for students, faculty and advisors. As circumstances arise certain courses may not be offered during the expected semester. Adjustments will be made to offer alternatives for students who require specific courses for their concentrations. Please visit the website and contact the Department of Biology for more information.

COURSES OFFERED EVERY SEMESTER (FALL, SPRING & SUMMER)

BSC 1010C General Biology 1
BSC 1011C General Biology 2
BSC 2012C General Biology 3
BSC 2085C Anatomy & Physiology 1
BSC 2086C Anatomy & Physiology 2
BSC 2991 Introduction to the Biology Major
BSC 4905 Direct Independent Study
BSC 3943 Internship in Applied Biology
BSC 4947 Senior Seminar Practicum
BSC 1005C Principles of Biology
BSC 1930 Current Applications
PCB 3023C Molecular and Cellular Biology
PCB 3063C Genetics
PCB 4713C Physiology
PCB 3043C Ecology
MCB 2010C Microbiology
MCB 3020C Microbial Biology

COURSES OFFERED EVERY FALL

BSC 3052 Conservation Biology
BSC 3842 Sophomore Seminar Preparation
BSC 4921 Biology Lecture Series
BSC 4930 Special Topics in Biology
MCB 4021C Molecular Techniques
PCB 4301C Limnology
ZOO 3733C Human Structure & Function
ZOO 4513/L Animal Behavior/Lab

COURSES OFFERED EVERY SPRING

BSC 3842 Sophomore Seminar Preparation
BSC 4921 Biology Lecture Series
BSC 4930 Special Topics in Biology
BCH 4024/L Molecular Biology & Biochemistry/Lab
MCB 4503 Virology
PCB 4674 Evolution
OCE 3008 Oceanography
BSC 3057 Intro to Environmental Studies

COURSES OFFERED EVERY SUMMER

BCH 4024 Molecular Biology & Biochemistry
(Lecture only)
TLO Ecology of Sharks

COURSES OFFERED FALL ODD YEARS

BSC 3263 Marine Biology
MCB 4203 Pathogenic Bacteriology
PCB 4805 Endocrinology
PCB 4843 Cell & Molecular Neuroscience
ZOO 4462C Herpetology
ZOO 4753 Histology

COURSES OFFERED FALL EVEN YEARS

BOT 4404C Marine Botany
BSC 4054C Environmental Toxicology
PCB 4067 Molecular Basis of Inheritance
ZOO 4823C Entomology
ZOO 4234C Parasitology

SPRING ODD YEARS

XXX Biology of Sharks
MCB 4603C Microbial Ecology
PCB 4233 Immunology
ZOO 3713C Comparative Vertebrate Anatomy
ZOO 4208C Coastal Invertebrate Zoology
ZOO 4454C Ichthyology

SPRING EVEN YEARS

ZOO 4485/L Biology of Marine Mammals/Lab
BSC4022 Biology of Aging
FAS 4354 Coastal Fisheries Management
PCB 4234 Biology of Cancer
ZOO 4715C Canine Anatomy
BOT 4503C Plant Anatomy & Physiology
