Description of Events:

**Scholarship Information Session** - Get into the Blue, Save a Ton on Green! Join the scholarship coordinator for an information session on how to find and apply for scholarships. Covered will be what types of scholarships are available and how to find scholarship opportunities through UNF and outside organizations.

**Campus Tours** will assemble outside of the Student Union at the far end of Osprey Plaza nearest the lake. Knowledgeable student guides (The SWOOP Squad) will introduce you to the UNF campus highlighting our top-rated academics and unique social programs. Please note this is a walking tour and generally takes about an hour.

**Housing Tours** will assemble outside of the Student Union at the “Parking Loop” nearest the UNF Bookstore beginning at 11:30am. The UNF shuttle buses will transport guests to visit and tour our residential facilities. Your tour will be led by a current UNF Resident Assistant. Housing Tours generally take about 45 minutes.

**College Presentations** – students and guests will be able to visit the college of their choice to learn about the majors/minors and programs within that college. You will only have time to visit one college. If you are interested in multiple majors in different colleges you will have an opportunity to meet with the advising offices of each college in the University Showcase Gallery in the Student Union Ballroom (3rd Floor) beginning at 11am.

**Financial Aid Information Sessions** will be conducted by the UNF One Stop Student Services staff who will introduce you to the different types of financial aid available and outline the financial aid application process.

**UNF Honors Program Information Session** allows participants to discover the exciting opportunities available to students who participate in the UNF Honors Program. UNF Honors staff will also be available in the University Showcase Gallery to answer any further questions you may have about the Honors Program.

**Transfer Student Information Session** will give potential transfer students a chance to meet with an admissions representative to learn about the transfer transition process.

**University Showcase Gallery** representatives will be available in the ballroom of the Student Union from 11:00am until 1:00pm. Department Chairs, Faculty, and Advising representatives from each of UNF’s Colleges will be available to answer questions about our academic programs. There will also be representatives from various UNF Offices and Organizations. The UNF Admissions staff will be manning a table to answer Admissions related questions.

**Housing and Meal Plan Q & A Session** will provide you with information regarding the 2012 Freshman Experience of living and dining on campus! Find out what you need to bring when you move in and where to eat when you get here - answering your questions is what this session is all about. Bring your notepads!

**University Bookstore** - stop by and visit UNF’s Bookstore located in the bottom floor of the Student Union to stock up on all your UNF gear. Open today from 10:00am to 5:00pm.
