Members Present: Sharon Ashton, Scott Bennett, Marianne Jaffee

Others Present: Dmitriy Bond, Linda Mobley, Jamie Spruell

1. Review of UNF mobile site - Dmitriy Bond

   The mobile version of the website was reviewed – all issues such as graphics and photographs have been resolved. An e-mail will be sent to all CMS users with instructions on how to view their mobile site. The big announcement regarding both the mobile site and the App will occur when Apple approves the App (there is a roll-out plan already in place).

2. Osprey Server

   It was decided to leave the student organizations and clubs, UFF and Faculty, and the migrated CMS sites on the Osprey Server for now. This will be revisited in a year.
