INTERNET PRESENCE COMMITTEE
Minutes
August 29, 2013

Members Present: Sharon Ashton, Torrey Coyle-Ogden, Lucy Croft, Marianne Jaffee and Lance Taylor

Others Present: Dmitriy Bond, Cathy Cole, Jamie Spruell and Marian Watters

1. URL request for new campus map

A request has been made for a specific URL for the new interactive map. The interactive map will replace the current Google map that is found at www.unf.edu/map. The old map will be used internally for use only. CMS users will be sent an e-mail asking them to change all hyperlinks pointing to the old map. After discussion the URL, www.unf.edu/campusmap, was suggested for the new map.

✓ Motion approved and passed.

2. Homepage redesign

The IPC has asked for the UNF homepage to be redesigned. The new homepage will include more images, stories and be more interactive. Since the redesign will involve development time and different resources it will have to become an official project.

ACTION ITEM: Sharon Ashton will submit project to the PMO office for review and approval.

3. Initiatives folder in CMS

Requests for the creation of new CMS sites by faculty/staff for new projects (cross-departmental and individual) are increasing. To keep the CMS permissions and folder structure clean the web team will be creating a folder in the CMS for these new sites to live. All requests for site creation with be vetted through the requestors IPC representative for approval.

4. CMS user group

A select group of CMS users will be asked to join a user group to discuss the future and create a roadmap for web initiatives. Marian Watters will lead the group and hand-pick users. This small group will be used for information only; they will not be a governing body.
