- Importance: The Leadership Speakers Bureau is of interest to UNF students, staff, faculty, alums, donors, parents and VIP visitors. The Leadership Speakers Bureau brings leadership-centric speakers with rich experiences, incredible backgrounds, and inspirational stories to the University of North Florida. With an increased focus on enhancing activities and events on campus, the target audience for the Leadership Speakers Bureau is the entire UNF campus of approximately 16,000. The Hot Button would enable more current students, staff, faculty, alums, donors, parents and VIP visitors to become aware of the event.
