Members Present (item voted on electronically): Sharon Ashton, Lucy Croft, Torrey Ogden and Lance Taylor

Motion made by Sharon Ashton to approve the new Beta Gamma Sigma site:

http://www.unf.edu/coggin/bgs/index.aspx

The following comments need to be addressed prior to the site going live:

- Need a phone number on the site someplace. Perhaps by the person’s e-mail address. Even if it is just the phone number to the Dean’s office. Do they have an office somewhere? If so, that should be added.

- Think strategically about places that link to it. Should the Honors Page link to it? What ways will people get to it? Does it make sense to get it on the list of clubs, or no?

✔ Motion approved and passed.
