Every chapter at UNF belongs to a local, governing council. Officers work with the chapter’s national governing council. The council is an umbrella organization that helps manage and provides programming for subsequent chapters, and is accountable to its constitution and bylaws. The four councils at UNF are directly responsible to their chapter. The council officers are from every chapter and are elected each year. The council is to advocate on behalf of its groups, hold them accountable to its constitution and bylaws, and fund programs and events that benefit the chapter.

The Councils

LEADERSHIP

Phi Delta Theta is the national Greek Leadership

Chapter executive boards, officer positions and
campus-wide involvement!

Leadership skills are invaluable and gaining empathy and society will provide plenty of opportunities for the members to participate in service. Chapter leaders can be found to answer students, faculty, staff and members any questions regarding chapter activities.

In addition, fraternity and sorority members are involved on a local, regional and national level. Each chapter and its members serve as ambassadors for their respective organizations on campus, fostering relationships with fellow students and community members.

WE PROVIDE

Fraternities and sororities date back hundreds of years at campuses all over the nation and each group was founded with the intention of providing an environment for students to join, to hold an office and to be able to participate in a wide variety of activities. Each year, fraternity and sorority headquarters offer academic scholarships to members that can be used toward an educational expense. Chapels also provide educational programming to their members in order to assist with academic performance by connecting members to programs run by such as Academic Center for Excellence, Career Services and the Office of Safety and Security.

WE ENCOURAGE

Volunteer opportunities are provided through UNF Greeks, which ensures that students can interact with others and make a difference in their community. These are just a few of the many ways in which we engage in community service.

WE HAVE FUN
