1. **Ogier Gardens Tours**
   9 AM – 10 AM Fridays, anyone can attend to learn how and what we grow.

2. **Adopt-a-Bed at the Ogier Gardens**
   Students can grow their own vegetables for free under the guidance of the Garden Coordinator and Student Garden Staff. Contact Adopt-A-Bed Coordinator, Mallory Schott: n00833740@ospreys.unf.edu for more information and an application.

3. **Volunteer or Intern**
   Our **early** Fall 2015 general volunteer hours are Tuesdays 4pm-8pm, as well as Wednesdays and Fridays 8:30am-11am & 4pm-8pm. These hours run later to avoid the summer heat, and then **shift after September 11th** to Tuesdays 1-5 PM, as well as Wednesdays & Fridays from 9 AM- noon and 1-5 PM. These hours are in effect when UNF is in session and weather is permitting. No sign-up is necessary, sign-in when you arrive! All Ogier Gardens volunteers receive fresh produce for their contributions.

4. **Attend a Gardening Workshop** (See more information on the second page)
   - Check out our Facebook page for upcoming workshops: www.Facebook.com/UNFgardens

5. **Healthy Osprey Food Demos in the Osprey Café**
   Fresh produce from the Ogier Gardens is prepared by Chartwells’ culinary team with garden staff on hand to answer your questions. Taste the difference of our healthy, local, seasonal and organic produce! We announce our demos through our newsletter, social media and through billboards in the Student Union.

6. **Publicize the Ogier Gardens, Blog and Write our New Newsletter**
   Students gain writing experience and exposure by submitting stories about the Ogier Gardens for our newsletter and social media. Students are encouraged to take and share photos of Ogier Gardens’ activities!

7. **Donate a Piece of Artwork**
   Help beautify the Ogier Gardens and leave a lasting legacy! Now accepting sculptures, wind chimes, clay pots and decorative container gardens. If you have an idea, let us know!

8. **Join the Organic Project Club and Attend One of Our Monthly Events:**
   The Organic Project is a student club which seeks to garner a tight-knit, resilient, UNF Gardening community. We do so by hosting social events and sharing in the fruits of our Ogier Gardens adopt-a-bed. We offer students a wealth of practical, earthly knowledge and volunteer opportunities to inspire them towards action. We would love to see you at one of our monthly meetings if you’re interested in joining our club or being more involved at the garden. Our meetings and events are held at the garden, weather permitting.

   **Organic Project Club Spring 2015 Events**
   - **Organic Project Club General Meeting** Every first Friday @ 2 (9/4, 10/2, 11/6, 12/4)
   - **Monthly Community Potlucks** Fridays @ 6 PM (9/11, 10/16, 11/20)
   - **Living Earth Yoga** 9:30 AM (9/4, 10/2, 11/6, 12/4) hour long, Kripalu Yoga class by certified teacher, Hillary McDonald
   - **Semi-annual Camping Trip with the Healthy Osprey Club** (TBA)
   Email UNFOrganicProject@gmail.com for more information on Organic Project Club events
Fall 2015 Gardening Workshops

*Workshops are held at the Ogier Gardens and run for about one hour unless noted otherwise
*Check our Facebook page for updates and additions throughout the semester

- **Intro to Permaculture** – Weds. 9/2 – 3:00 to 4:00 p.m.
  Permaculture is an ecological design system for sustainability in all aspects of human endeavor. It teaches us how build natural homes, grow our own food, restore diminished landscapes and ecosystems, catch rainwater, build communities and much more.

- **Tea at Three** – Fri. 9/4, 10/2, 11/6 – 3:00 to 4:30 p.m.
  Come to our tea parties and learn about how to dry and make your own fresh herbal teas from health educator and Ogier Gardens staff member Mallory Schott.

- **Intro to Organic Gardening** – 9/11, 9/16, 9/25, 10/6, 10/13, 10/23
  Tues. & Wed. – 10:00 to 11:00 a.m.; Fri. – 11:00 a.m. to noon
  Home gardening can improve your nutrition, save you money, and increase your food security. Learn the basics to starting your own home garden. Topics include garden planning, site selection, soil preparation, planting, fertilization, and pest management techniques.

- **Healthy Snacks Life Hacks Workshop** – Fri 9/18 -3:00-5:00 p.m.
  Come join us in the campus’s Food Lab where you will create delicious varieties of hummus and learn from the Health Promotion Dietician, Lindsey Guthrie, about other easy to make, healthy snacks that will power you through the day. The Food Lab is in bldg. 39, rm. 3000. Space is limited, therefore, please RSVP to ogiergardens@unf.edu today!

- **Eat For the Planet** – Fri. 10/9 – 3:00 to 4:30 p.m.
  Learn how to eat healthy with the lowest environmental footprint, examining food choices, focused on the web of people and processes vital to sustainable food production.

- **Butterflies and Caterpillars ID** – Weds. 10/14 – 1:30 to 3:00 p.m.
  Come learn about butterflies, moths, and caterpillars in the garden-- all things Lepidoptera, with biology student Kate DeJong.

- **Compost 101** – Fri. 11/13 – 10:30 a.m. to noon
  A rind is a terrible thing to waste! Come learn how to set up and maintain your own composting system to recycle your kitchen scraps and yard waste. Learn how to make black gold!

- **Good Bug/ Bad Bug** – Fri. 11/20 – 10:00 to 11:00 a.m.
  Don’t squish it and then wish you hadn’t missed this workshop! Come learn about beneficial insects and pests in the garden. Some beneficials, like ladybugs, undergo complete metamorphosis and their larvae look nothing like their adult form.

**EXCITING EVENTS HAPPENING THIS SEMESTER:**

**World Food Day 10/16 Friday Student Union Plaza**
Come learn about local organizations that are fighting hunger, and that are advocating for healthy, local, and organic foods around the world and in your own back yard! Details TBA

**Ogier Gardens Harvest Festival**
**Nov. 18th 11am-4pm @ The Cowell Amphitheater**
Join us for Live Music, Hay Rides, Free Food, a Petting Zoo and More!
