We have a few last-minute items for you to take care of before you attend Orientation. Please take care of the items checked below.

- Fill out your Housing and Residence Life contract and submit your deposit. It can be done online through your myWings account.
- Purchase a meal plan and pay the prepayment. If you are starting in the summer and you choose to purchase a summer meal plan, you will still need to purchase one for the fall to remove the hold.
- Submit your immunization records. You may submit immunization records via:
  - Fax: (904) 620-2901
  - E-mail: c.ford@unf.edu
  - Mail: Medical Compliance Student Health Services
    1 UNF Drive
    Jacksonville, FL 32224
- Submit your Orientation Liability Form. You can find it on our website www.unf.edu/orientation.
Also, on the day of Orientation don’t forget your parking pass! We will e-mail you a parking pass one week prior to your Orientation session. It will be sent to your UNF e-mail account so be sure to check it often. (That account is also where we will send you important information and announcements, so get used to checking it now.) You’ll need to print out the pass and place it on your dashboard.

There are a few things we don’t want you to forget to bring with you. Check the list below before you head to UNF for New Student Orientation.

- A government-issued photo ID (required in order to pick-up your University ID)
- A copy of any transcripts for college course work we have not yet received
- An umbrella or raincoat — unexpected rainstorms happen in Florida.
- An alarm clock or cell phone with an alarm clock (don’t forget your charger)*
- A pillow (we provide linens) **
- Two days worth of clothing **
- Toiletries **
- A towel **
- Any medications you need

* Only required if you are attending our two-day overnight Orientation program.

We are very excited you are coming for New Student Orientation, and cannot wait to have you on campus! Keep checking your e-mails for your check-in time and your parking pass. If you have any questions or concerns, don’t hesitate to contact our office at newtoUNF@unf.edu or (904) 620-1722.

See you soon!

- Orientation Staff
