The course will focus on an individual research project. The weekly homework assignments will be designed to facilitate the completion of the project. The student will be expected to complete, by the end of the semester, a written report on her/his chosen project. In addition, the student will do an oral presentation on the project.

Homework: (100 points) Homework is due one week after it is assigned, unless otherwise specified. You are expected to do the homework on your own. You may discuss the problems with me. Late homework will be accepted only under extreme circumstances.

Written Report: (200 points) The final written report will be due on the last day of class (April 19).

Oral Report: (200 points) The schedule for the final oral report will be determined later.

Grading Scale: 90 – 100% = A; 88 – 89% = B+; 80 – 87% = B; 78 – 79% = C+; 70 – 77% = C; 60 – 69% = D; < 60% = F
