TLS President’s Corner
Welcome back to school! Last semester was one of our greatest semesters yet. I would like to thank each and every one of you for all your participation throughout the semester, and especially our philanthropy work with the Hubbard House! The TLS board has been working very hard to create an even better spring term. The T&L Flagship Program will be having some great facility tours this semester as well as our annual Big Sea Day at Jaxport. You won’t want to miss it! Make sure to come to our first meeting January 18th to find out the details of all of our events coming up and how you can get involved. Here’s to another great semester! -Tom Branning Transportation and Logistics Society, President

David is currently a senior, and will be graduating this April. David has been involved in TLS since his transfer from Hillsborough Community College in Fall 2010. “TLS always has tasks to be carried out by members” David says, “TLS offers so many opportunities to get involved that it was hard not to get swept up in the furor.” “The T&L program really intrigued me based on how well known it was within the community and beyond. I was so impressed with the program and now being a part of it and helping it grow really drives me to succeed in my career.” David looks forward to the tasks and challenges of being the TLS editor.

Professional Spotlight: Propeller Club Networking Social

On Friday January 27th the Jacksonville Propeller Club will be hosting a networking social for UNF students. TLS has been designated a Student Port by the United States Propeller Club Port of Jacksonville. UNF is fortunate to be one of only 27 student ports in the United States. The Propeller Club Networking Social is a fun event where you can talk to business professionals in a relaxed atmosphere. You will learn about many different business operations and make contacts that may lead to a job one day. It is a great chance to practice your networking skills and promote your personal brand. This event will be taking place in the University Center building 43 and will run from 6pm to 8pm. There will be free appetizers and also a cash bar. Dress is business professional. Also don’t forget to bring resumes and have business cards ready. You never know who you may run into! We need a good turnout so please plan to attend. R.S.V.P. to TLSociety@unf.edu by Monday, January 23.
