Alternative TEAS Testing Options

Note that this list was provided by ATI and is not intended to represent any relationships with the University of North Florida and/or the UNF School of Nursing and the institutions listed. We simply receive many inquiries regarding other schools or businesses that offer the exam. Some of these schools may only provide the TEAS to their existing students. Please contact each school directly to see what their TEAS policies and practices are.

As always, when testing at a site other than UNF you must supply your scores to the Nursing Admissions Coordinator by the deadline of the term you seek. **BE SURE THAT YOU ARE TAKING VERSION V BEFORE YOU ACTUALLY TEST.** The methods by which you may do so are detailed in our TEAS FAQs document. Thank you.
