Session descriptions

**Academic Center for Excellence** — The Academic Center for Excellence (ACE) advises all first-year students and provides support to help our students reach their academic goals. An ACE advisor will explain how this support service ensures Ospreys get on track and stay on track to graduate! **Recommended for all students.**

**Campus Life** — UNF students are involved outside of the classroom, too! Learn about ways to get involved, including student organizations, leadership opportunities, on-campus events, and other special perks only UNF students can get. **Recommended for all students.**

**Career Services** — The career possibilities are endless for UNF graduates. Learn how a UNF experience ensures the future you want through the myriad ways Career Services empowers students to confirm majors, explore career options, gain internship experience and secure employment. They help you develop an action plan for career success. **Recommended for all students.**

**Countdown to college** — Are you a high school freshman, sophomore, junior or senior? Would you like to start preparing now for a successful admission to UNF? The Office of Admissions will help you get ready for the college application process. **Recommended for all students.**

**Financial aid and scholarships** — Join a financial aid coordinator for a dive into the different types of financial aid available, the process of applying for financial aid, and how to apply for UNF scholarships. **Recommended for all students.**

**Hicks Honors College** — Learn how the Hicks Honors College further enriches the UNF experience. An honors representative will outline the application process, explain how honors differs in high school vs. college and show you the unique benefits exclusive to students in the honors community. **Recommended for students interested in honors.**

**Study abroad** — UNF students study abroad at three times the national average, and it’s no wonder given the amazing international learning experiences we offer. Our students and faculty have been to Portugal, Greece and Belize, to name a few. A study abroad coordinator will give you a taste of the programs and scholarships available to help you become a global citizen. **Recommended for all students.**
