University of North Florida
Residency Reclassification Instructions

Residency reclassification requests are subject to Florida statute 1009.21, University of North Florida policy and State Board of Education rule 6A-10.044 which was adopted by the Florida Board of Governors on September 6, 2006. The instructions below do not compromise a comprehensive statement regarding residency reclassification. Refer to www.FACTS.org for more information on residency. The burden of proof is on the student. No single piece of documentation will be considered conclusive.

THE DEADLINE FOR THIS APPLICATION IS
The last working Friday before the start of the term for which you are requesting Reclassification.

Who should complete the “Residency Reclassification Application and Affidavit?”
An individual who is initially classified as a nonresident for tuition purposes may become eligible for reclassification as a resident for tuition purposes only if that individual (or the parents of that individual, if that individual is a dependent) supports permanent residency in this state for 12 consecutive months. The individual (or his or her parents, if that individual is a dependent) must present documentation that substantiates residency in this state is for the purpose of maintaining a bona fide domicile, rather than for the purpose of maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education.

Instructions for Reclassification
1. Please make sure you fill out this application and submit proof of documentation completely. Any incomplete applications or missing documents will not be considered for reclassification.
2. The Graduate School office may require additional documentation and will not complete its review of residency until both the student and the claimant have submitted all requested documentation.
3. The presentation of documents in itself does not qualify the student for Florida Residency for tuition purposes. The Graduate School office will evaluate the submitted documents and all available information and will render an eligibility determination (via the email address the student has provided on the application).
4. UNF is authorized to make discretionary judgments as to residency with the bounds of the law and in reaching this professional judgment will evaluate all documents submitted and information available.
5. All determinative documents must be dated at least 12 months before the first day of classes for the term in which residency is sought.
6. The deadline to turn in residency reclassification applications and all required documentation is the last working Friday before the first week of classes of the term for which you are requesting Reclassification.
7. Notification regarding decisions will be made via email.
