Plan overview

MAC/MAB claim allowance

The Maximum Allowable Charge (MAC) claim allowance is the maximum amount a network provider may charge. If you select a network provider, you may have lower out-of-pocket costs. If you visit an out-of-network dentist, the claim allowance is considered at the Maximum Allowable Benefit (MAB), which is equal to the lowest contracted fee in your ZIP Code area. You pay the difference between what the plan pays and the dentist's actual charge.

You can visit any dentist and family members do not need to visit the same provider. Find a [Classic \(PPO\) network provider](#) at ameritas.com—Find a Health Provider.
