The Consortium currently includes Florida Gulf Coast University, Florida International University, University of Central Florida, University of North Florida, and University of South Florida.

Please be advised that the University of North Florida has appointed Academic HealthPlans (“AHP”) as the Broker of Record as part of the Consortium Student Health Insurance Plan. This appointment pertains to the student health program and any ancillary lines that may be associated with the Plan (e.g., student dental, student vision, telehealth, travel assistance, AD&D, etc.). All parties interested in proposing coverage pertaining to Consortium’s Plan will be required to communicate through, and present proposals directly to AHP.

This Broker of Record is made between the University of North Florida and AHP effective 11/17/2022 and will remain in effect until withdrawn by the University.

Sincerely,
