MISSION STATEMENT

At the University of North Florida, we ignite a passion for learning and discovery through transformational education in a supportive environment that leads students to rewarding careers and lifelong success. Our beautiful campus is a hub for talent development, relevant research and community engagement, where we enrich lives and fuel the economic and overall prosperity of Northeast Florida and beyond.

VISION STATEMENT

The University of North Florida will be the destination of choice for talent and for public and private investment.

VALUES

Accountability | Integrity | Excellence | Civility | Culture of Care

GREETINGS FROM THE PRESIDENT

Dear Graduates:

Congratulations on this special day! Your hard work has paid off, and I wish you the very best as you celebrate this wonderful milestone with your family, friends and the entire Osprey community.

You have earned your place in this graduating class, and we are excited to see what the future holds for you! As a fellow UNF alumna, I am certain the University of North Florida has prepared you well for continued success.

As you enter this next chapter in your life, please stay connected with your Osprey family. Our UNF alumni are more than 100,000 strong, and you are now part of this extraordinary network.

Again, congratulations and best wishes.

Once an Osprey, always an Osprey!

Sincerely,

Dr. Angela Garcia Falconetti
Interim President

TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date back to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions.

The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Administration	Peacock blue
Arts, Letters, Humanities	White
Athletic Training/Kinesiology	Sage green
Business	Light brown
Education	Light blue
Engineering	Orange
Fine Arts	Deep brown
Health and Nutrition	Kelly green
Mathematics and Statistics	Gold
Music	Pink
Nursing	Apricot
Physical and Technological Sciences	Gold
Physical Therapy	Teal
Public Health	Salmon
Social Work	Citron

THE UNIVERSITY OF NORTH FLORIDA

The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor's, master's and doctoral levels. Established in 1965 as an upper-division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1,381 acres, which includes a nature preserve and wildlife area with lakes and nature trails.

As UNF grows, it is proud of maintaining a reputation for excellence, which attracts a diverse group of highly qualified students. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of nearly 17,600 students enrolled in 72 undergraduate degrees with 83 areas of concentration, 44 master's degrees with 97 concentrations, and 8 doctoral degrees with 3 concentrations. It has nearly 600 faculty members and more than 1,300 full-time and part-time staff. UNF has six colleges: Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, Silverfield College of Education and Human Services, and Hicks Honors College. The University grants more than 4,300 bachelor's, master's and doctoral degrees each year.

UNF is dedicated to excellence in teaching, research and public service. The University's faculty is committed to providing high-quality instruction. The faculty's publications and other creative activities demonstrate a determination to

remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community.

The generosity of both corporate leaders and dedicated citizens through the UNF Foundation supports scholarships, fellowships and engaging activities on campus and in the community.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of the University of North Florida. Individual contact with the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs. UNF's programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, anesthesiology nursing, nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national disciplinary accreditation.

SPRING 2026 GRADUATE SERVICE AWARD WINNER

The University of North Florida Alumni Association recognizes a graduating senior each semester for outstanding service to the University and community through volunteerism. This year, the UNF Alumni Association has selected Hayley Spring as the recipient of the Graduate Service Award for the Spring 2026 graduating class.

Hayley Spring

Hayley is a Jacksonville native and an engaged public servant, policy advocate, and Springfield resident. She joined the Master of Public Administration program in 2023, concentrating on local government and nonprofit management. Through UNF and the MPA program, Hayley has integrated academic study with professional practice and community engagement, translating coursework into policy briefings for city leaders and stakeholders.

Her experience includes service on the Climate Change Action Committee and completion of a strategic plan for a local nonprofit. She has also served on several advisory and policy bodies, including the UNF Nutrition & Dietetics Advisory Board, the City's CSSSC, 904WARD's Policy & Advocacy Committee, CPAC District 1, and the UF IFAS Duval County Extension Advisory Council. In addition, she is a mentee with Food Policy Pathways and the UNF Community Alliance for Student Success.

This spring, Hayley will graduate with a Master of Public Administration in Local Government and a Graduate Certificate in Nonprofit Management.

SPRING 2026 SENIOR SERVICE AWARD WINNER

The University of North Florida Alumni Association recognizes a graduating senior each semester for outstanding service to the University and community through volunteerism. This year, the UNF Alumni Association has selected Jermaine Daniels II as the recipient of the Senior Service Award for the Spring 2026 graduating class.

Jermaine Daniels II

Jermaine Daniels II is a dedicated student leader and creative professional at the University of North Florida, earning a Bachelor of Science in Communication with a concentration in Digital Media Production and a minor in Photography. His collegiate journey reflects the true “Osprey Spirit,” combining artistic vision with more than 700 hours of community service.

Grounded in the unwavering support of his parents, Jermaine’s growth was further shaped at UNF through the mentorship and brotherhood of the Xi Lambda Chapter of Kappa Alpha Psi Fraternity, Inc. Surrounded by leaders who became family, he was challenged to evolve not only as a creative, but as a servant leader committed to showing up even in moments of exhaustion. That commitment led him to excel in several high profile roles, including Polemarch (Chapter President), Southern Province Undergraduate Board Member, and Mr. UNF 2024–2025.

Jermaine’s service spans a wide range of initiatives, from managing Kappa Week outreach and assisting incoming students during Movers and Groovers, to volunteering at Eartha M. M. White’s farm. He has also bridged his professional aspirations with service by raising funds for St. Jude Children’s Research Hospital and hosting business workshops designed to equip young men with tools for success.

As he prepares for his next chapter, Jermaine remains committed to growth, service, and leadership. Guided by the lessons of his parents and the fraternity that sustains him, he lives by a principle that defines his journey: no matter how high he reaches, he will always reach back to lift others as he climbs.

CONGRATULATIONS ON YOUR COMMENCEMENT!

After years of hard work, countless late nights and anxious moments, you've earned your degree from the University of North Florida. We know you are proud of your accomplishments, and we're proud to welcome you as a new member of the UNF Alumni Association!

You join a network of Ospreys worldwide who are leaders and agents of change actively engaged within their communities and making a difference in the world.

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then and we've worked hard to keep pace with your lifestyle and modern trends. We encourage you to follow us on social media and update your personal information through the Alumni Association website at www.unf.edu/alumni. While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and an important communication tool for keeping you informed of upcoming events, happenings and opportunities available to you as alumni.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

Stay connected ... and keep on swooping!

UNF ALMA MATER

Music adapted by Dr. William C. Moffit

Words by Dr. Merrill J. Palmer

VERSE:

We recall those days of gladness,
Nestled midst the lakes and pine,
Where we sought the gift of knowledge,
Alma Mater, pride of mine.

REFRAIN:

Sing her glory and her praises,
Let them ring from sea to sea!
North Florida we proudly honor,
U-N-F, all hail to thee.

VERSE:

Near the shores of the Atlantic,
Where the Osprey soars on high,
Stands our Alma Mater strong and true,
With her colors gray and blue.

REPEAT REFRAIN
