

UNIVERSITY *of* NORTH FLORIDA®

Commencement

Friday, December 13, 2024
UNF Arena

*University of North Florida
Jacksonville, Florida*

MISSION STATEMENT

At the University of North Florida, we ignite a passion for learning and discovery through transformational education in a supportive environment that leads students to rewarding careers and lifelong success. Our beautiful campus is a hub for talent development, relevant research and community engagement, where we enrich lives and fuel the economic and overall prosperity of Northeast Florida and beyond.

VISION STATEMENT

The University of North Florida will be the destination of choice for talent and for public and private investment.

VALUES

Accountability, Integrity, Excellence, Civility, Culture of Care

STATEMENT OF UNITY

UNF stands in unity and solidarity with all members of our community, regardless of genetic information, race, color, religion, age, sex, disability, gender identity and expression, sexual orientation, marital status, national origin or veteran status. We are proud of the diversity in our students, faculty and staff.

We strongly condemn acts of hate and bigotry as antithetical to the University's core values of mutual respect and civility. Actions and words that seek to deny human beings full membership in the broader moral community on the basis of arbitrary characteristics are intolerable. We stand opposed to violence in language or in action, and we see these as a threat to the mission of UNF as a public university that is committed to intellectual and cultural growth and civic awareness.

We pledge to stand with and for those who are the most vulnerable members of our community and to take actions that help our students and fellow employees feel safe and know that they are safe. We affirm UNF's unreserved commitment to student success within a diverse, supportive campus culture. We seek to embody the ideals of a free and democratic society, and we fully support and value each member of our community.

GREETINGS FROM THE PRESIDENT

Dear Graduates:

Congratulations! Your hard work has paid off, and I wish you the very best as you celebrate this special day with your fellow graduates, loved ones and the entire Osprey community.

Though it will take you only a few moments to walk across the Commencement stage, we know that you have spent countless hours working to achieve this exciting milestone. Earning a degree is life-changing and an accomplishment that opens the door to the next chapter of your life. You have earned your place in this graduating class, and we can't wait to see what the future holds for you.

As a new graduate, you will be joining a UNF alumni network of more than 100,000! I wish you abundant success and endless happiness and hope you will stay connected with your fellow Ospreys wherever your degree takes you. My heartfelt congratulations to each of you. Swoop!

Sincerely,

Moez Limayem, Ph.D.

TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date back to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions.

The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Arts, Letters, Humanities	White
Business	Light brown
Computer Science	Gold
Economics	Copper
Education	Light blue
Engineering	Orange
Fine Arts	Deep brown
Health	Sage
Law	Purple
Library Science	Lemon yellow
Medicine	Kelly green
Music	Pink
Nursing	Apricot
Philosophy	Dark blue
Public Administration	Peacock blue
Public Health	Salmon
Science	Golden yellow
Theology	Scarlet

The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor's, master's and doctoral levels. Established in 1965 as an upper-division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1,381 acres, which includes a nature preserve and wildlife area with lakes and nature trails.

As UNF grows, it is proud of maintaining a reputation for excellence, which attracts a diverse group of highly qualified students. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of nearly 17,000 students enrolled in 68 undergraduate degrees with 81 areas of concentration, 45 master's degrees with 98 concentrations, and 6 doctoral degrees with 3 concentrations. It has nearly 600 faculty members and more than 1,100 full-time and part-time staff. UNF has six colleges: Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, College of Education and Human Services, and Hicks Honors College. The University grants more than 4,000¹ bachelor's, master's and doctoral degrees each year.

UNF is dedicated to excellence in teaching, research and public service. The University's faculty is committed to providing high-quality instruction. The faculty's publications and other creative activities demonstrate a determination to

remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community.

The generosity of both corporate leaders and dedicated citizens through the UNF Foundation supports scholarships, fellowships and engaging activities on campus and in the community.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of the University of North Florida. Individual contact with the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs. UNF's programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, anesthesiology nursing, nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national disciplinary accreditation.

1- Degrees are for the 2023-2024 Academic Year

2024 FALL COMMENCEMENT CEREMONY

**Please rise as the Processional begins and remain standing throughout the National Anthem.*

***Please refrain from applause until all degree candidates have been presented.*

****Please stand throughout the Recessional.*

COMMENCEMENT PROTOCOL

This ceremony represents the culmination of many years of work and sacrifice on the part of the graduates and their families. Therefore, please give this occasion the dignity and respect it deserves by remaining in your seats for the entire ceremony, except to use designated photo areas, so that others are not disturbed.

FALL 2024 SENIOR SERVICE AWARD WINNER

The University of North Florida Alumni Association recognizes a graduating senior each semester for outstanding service to the University and community through volunteerism. This year, the UNF Alumni Association has selected Bethley Luctama as the recipient of the Senior Service Award for the Fall 2024 graduating class.

Bethley Luctama

Luctama is graduating from UNF's College of Arts and Sciences (COAS) with a Bachelor of Arts in Political Science and a Bachelor of Arts in English. Luctama has volunteered over 100 hours toward community service initiatives with UNF legal clinics, civic engagement initiatives, and other projects servicing communities across Northeast Florida. She intends to become an immigration lawyer to help bridge the gap that exists within the American immigration system.

She first became an Osprey in 2020 and quickly became involved with clubs and programs on campus. She joined the Black Student Union, Haitian cultural club Rasine Kreyol, the Honors Student Union and For A Black Girl, which provides a safe space and source of empowerment, creativity and discussion for women of color on campus.

Luctama's stance on community service stems from her desire to ignite a passion for learning and discovery through transformational education in a supportive environment. Her passion led her to the Office of Service-Learning and Civic Engagement, where she participated in semesterly Jacksonville Beach cleanups and Jacksonville Humane Society dog-walking events. She learned about the significance of keeping our beaches clean and the trials of underserved animal shelters in the community. She moved up from volunteer to Osprey Community Ambassador and hosted events, led project discussions and met and networked with like-minded individuals.

As the daughter of immigrant parents from Haiti, Luctama found avenues to learn and give back to the community in ways that will launch her into future success in immigration law. She attended UNF's legal clinics and volunteered with Pre-Law Director and Political Science Professor Adrienne Lerner. She learned how to fill out Temporary Protected Status (TPS) and asylum application forms for displaced immigrants and assisted Ukrainians in applying for these statuses following President Joe Biden's launch of the program, Uniting for Ukraine. She gained broad experience in this process, collaborating with Florida Legal Services, clients, translators, and attorneys to help others in the community in drafting asylum and leave-to-stay forms.

She also served as a democracy fellow on campus and hosted, organized, and planned nonpartisan civic engagement events promoting voter participation amongst the student body. She aimed to connect with students who may be apathetic toward politics by finding ways to make politics more enjoyable. She coordinated a mayoral debate watch party in 2023 and a 2024 presidential debate watch party at the UNF Boathouse with over 85 students attending. Alongside UNF alumna Rachel Paul ('24), Luctama has been working to establish an early voting site on campus to encourage further civic engagement, with hopes of this project coming to fruition in the near future.

Luctama also collected data for UNF's Public Opinion Research Lab, cooked and packaged food for food-insecure families during a study abroad trip to Bali, Indonesia, and taught Baker County Detention Center detainees about their rights as part of her Detention Advocacy Project internship with the American Civil Liberties Union.

As Luctama enters a new chapter of her life and career, we are confident she will continue soaring to new heights as a UNF alumna. She is diligent, driven, and compassionate as a changemaker and public servant to Northeast Florida and beyond. Luctama uses her lived experience and empathy to create transformational opportunities in the lives of others through volunteerism, community and education. We are honored to present Bethley Luctama with the Senior Service Award and proud to call her an Osprey alumna.

CONGRATULATIONS ON YOUR COMMENCEMENT!

After years of hard work, countless late nights and anxious moments, you've earned your degree from the University of North Florida. We know you are proud of your accomplishments, and we're proud to welcome you as a new member of the UNF Alumni Association!

You join a network of Ospreys worldwide who are leaders and agents of change actively engaged within their communities and making a difference in the world.

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then and we've worked hard to keep pace with your lifestyle and modern trends. We encourage you to follow us on social media and update your personal information through the Alumni Association website at www.unf.edu/alumni. While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and an important communication tool for keeping you informed of upcoming events, happenings and opportunities available to you as alumni.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

Stay connected ... and keep on swooping!

UNF ALMA MATER
Music adapted by Dr. William C. Moffit
Words by Dr. Merrill J. Palmer

VERSE:

We recall those days of gladness,
Nestled midst the lakes and pine,
Where we sought the gift of knowledge,
Alma Mater, pride of mine.

REFRAIN:

Sing her glory and her praises,
Let them ring from sea to sea!
North Florida we proudly honor,
U-N-F, all hail to thee.

VERSE:

Near the shores of the Atlantic,
Where the Osprey soars on high,
Stands our Alma Mater strong and true,
With her colors gray and blue.

REPEAT REFRAIN
