MISSION STATEMENT

Our student-centered mission is to create the next generation of thinkers, leaders, and problem solvers with the unique knowledge and experience to positively impact the world.

VISION STATEMENT

The University of North Florida will be the higher education nexus where diverse students, faculty and organizations from around the world collaborate to creatively innovate for the advancement of society.

VALUES

We achieve excellence in all we do; we are an institution of uncompromising character; we lead with humility, humanity and integrity.

WE VALUE:

- Integrity – We do the right thing for the right reason at the right time.
- Respect – We treat everyone with kindness, we are informed by the perspectives of others and we draw strength from our differences.
- Accountability – We are responsible for how the outcomes of our actions affect others and our environment.
- Innovation – We harness creativity and talent to turn challenges into opportunities and problems into solutions in a uniquely UNF way.

STATEMENT OF UNITY

UNF stands in unity and solidarity with all members of our community, regardless of genetic information, race, color, religion, age, sex, disability, gender identity and expression, sexual orientation, marital status, national origin or veteran status. We are proud of the diversity in our students, faculty and staff.

We strongly condemn acts of hate and bigotry as antithetical to the university’s core values of mutual respect and civility. Actions and words that seek to deny human beings full membership in the broader moral community on the basis of arbitrary characteristics are intolerable. We stand opposed to violence in language or in action, and we see these as a threat to the mission of UNF as a public university that is committed to intellectual and cultural growth and civic awareness.

We pledge to stand with and for those who are the most vulnerable members of our community and to take actions that help our students and fellow employees feel safe and know that they are safe. We affirm UNF’s unreserved commitment to student success within a diverse, supportive campus culture. We seek to embody the ideals of a free and democratic society, and we fully support and value each member of our community.

GREETINGS FROM THE PRESIDENT

Dear Graduates:

Congratulations! Your hard work has paid off, and it is such an honor for me to share this special day with you and your loved ones.

Though it will take you only a few moments to walk across the Commencement stage, we know that you have spent countless hours working to achieve this exciting milestone. Earning a degree is life-changing and an accomplishment that will open the door to the next chapter of your life. You have earned your place in this graduating class, and we can’t wait to see what the future holds for you.

As a new graduate, you will be joining a UNF alumni network of more than 100,000! I wish you abundant success and endless happiness and hope you will stay connected with your fellow Ospreys wherever your degree takes you. My heartfelt congratulations to each of you. Swoop!

Sincerely,

Moez Limayem, Ph.D.  
President

TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date back to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master’s gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar’s specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer’s highest academic achievement and institution. The master’s hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar’s major field of study; the lining color or colors identifies the institution that conferred the wearer’s degree. Hoods were originally trimmed in fur but now have satin borders for masters’ and velvet for doctors’ hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions.

The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Arts, Letters, Humanities .....	White
Business .....	Light brown
Computer Science .....	Gold
Economics .....	Copper
Education .....	Light blue
Engineering .....	Orange
Fine Arts .....	Deep brown
Health .....	Sage
Law .....	Purple
Library Science .....	Lemon yellow
Medicine .....	Kelly green
Music .....	Pink
Nursing .....	Apricot
Philosophy .....	Dark blue
Public Administration .....	Peacock blue
Public Health .....	Salmon
Science .....	Golden yellow
Theology .....	Scarlet

THE UNIVERSITY OF NORTH FLORIDA

The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor’s, master’s and doctoral levels. Established in 1965 as an upper-division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF’s scenic campus is now nestled among 1,381 acres, which includes a nature preserve and wildlife area with lakes and nature trails.

As UNF grows, it is proud of maintaining a reputation for excellence, which attracts a diverse group of highly qualified students. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of 16,500 students enrolled in 66 undergraduate degrees with 80 areas of concentration, 45 master’s degrees with 92 concentrations, 6 doctoral degrees and one specialist degree. It has 695<sup>1</sup> faculty and 1,117<sup>1</sup> full-time and part-time staff. UNF has six colleges: Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, College of Education and Human Services, and Hicks Honors College. The University grants more than 4,300<sup>2</sup> bachelor’s, master’s and doctoral degrees each year.

UNF is dedicated to excellence in teaching, research and public service. The University’s faculty is committed to providing high-quality instruction, with particular emphasis on undergraduate education. The faculty’s publications and other creative activities demonstrate a determination to remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community.

Through the strong support of the University of North Florida Foundation, Inc. and the generosity of both corporate leaders and dedicated citizens of Florida’s First Coast region, UNF now has four Eminent Scholar Chairs: the Andrew A. Robinson Chair in Educational Policy and Economic

Development, the Ira M. Koger Chair in American Music, the Prime F. Osborn Chair in Transportation and the Paper Plastics Education Research Foundation Endowed Chair for Supply Chain Management. The UNF Foundation, funded by contributions, supports a wide range of UNF’s activities on campus and in the community.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master’s, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of the University of North Florida. Individual contact to the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, anesthesiology nursing, nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national accreditation.

FALL 2022 SENIOR SERVICE AWARD WINNER

The University of North Florida Alumni Association recognizes a graduating senior each semester for their outstanding service to the University and community through volunteerism. This year, the UNF Alumni Association has selected Karli Friedman as the recipient of the Senior Service Award for the Fall 2022 graduating class.

Freidman is graduating from UNF’s College of Arts and Sciences with a Bachelor of Arts in Behavioral Neuroscience. Throughout her time at UNF, she has exemplified the University’s spirit of civic commitment and servant-leadership through her continued aspirations to give back to those in need.

Since beginning her studies at UNF, Friedman has been passionate about working with underprivileged groups in the Jacksonville community. In her first year, she joined Kappa Delta Sorority and the Pre-Physician Assistant Club. While in Kappa Delta, Friedman helped raise money for Prevent Child Abuse America and Monique Burr, a locally connected foundation that educates children on signs of abuse and how to prevent victimization. She recalls that participating in and creating events with this foundation has been extremely rewarding and has helped her contribute to protecting the youth of Jacksonville through education. Through Kappa Delta, Friedman has also served as a mentor for Girl Scouts of Jacksonville, where she led activities on important topics such as bullying and helped instill confidence and inspire action within the next generation of female leaders. Her passion for supporting young girls led her to volunteer with Girls Inc. of Jacksonville, where she worked with elementary students to help navigate gender, economic and social barriers, and grow up healthy, educated and independent.

Karli Friedman

In her time with the Pre-Physician Assistant Club, Friedman has served as vice president, president and vice president of social media. In these various roles, she has organized a number of service opportunities for the club from creating food drives and beach cleanups to arranging visits to the Jacksonville Humane Society. As a leader, Friedman has helped members of the club discover new volunteer opportunities that they are passionate about giving back to and helping. When she returned to campus following the pandemic, she discovered UNF’s Meals on Wings and was immediately interested. Throughout 2021 and 2022, she helped recover food that would otherwise be discarded and now is repackaged and delivered to seniors facing food insecurity in Jacksonville. With Meals on Wings, Friedman recalls the joy of making an impact in the seniors’ daily lives stating that “knocking on their door to deliver their food is one of the most rewarding feelings.”

In 2021, Friedman also began volunteering with the Mayo Clinic out patient GI unit. In this service role, she helped to ensure a smooth recovery for those undergoing treatment by helping make beds, serving patients and transporting them safely outside the building. After seeing how much of a difference she was making by helping patients and alleviating the stress facing the healthcare staff, Friedman joined Mayo Clinic’s team as a Patient Care Technician.

After graduation, Friedman plans to pursue a career in medicine as a physician assistant, where she hopes to bridge the gap between underprivileged individuals and the lack of accessibility to resources. Friedman is a passionate, caring and a selfless leader and we are proud to call her an Osprey alumna.

CONGRATULATIONS ON YOUR COMMENCEMENT!

After years of hard work, countless late nights and anxious moments, you’ve earned your degree from the University of North Florida. We know you are proud of your accomplishments, and we’re proud to welcome you as a new member of the UNF Alumni Association! You join a network of Ospreys worldwide who are leaders and agents of change actively engaged within their communities and making a difference in the world.

The UNF Alumni Association has been serving the University’s alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then and we’ve worked hard to keep pace with your lifestyle and modern trends. We encourage you to follow us on social media and update your personal information through the Alumni Association website at [www.unf.edu/alumni](http://www.unf.edu/alumni). While you’re there, be sure to subscribe to Nest Notes, our free electronic newsletter and an important communication tool for keeping you informed of upcoming events, happenings and opportunities available to you as alumni.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

VERSE:

We recall those days of gladness,  
Nestled midst the lakes and pine,  
Where we sought the gift of knowledge,  
Alma Mater, pride of mine.

REFRAIN:

Sing her glory and her praises,  
Let them ring from sea to sea!  
North Florida we proudly honor,  
U-N-F, all hail to thee.

VERSE:

Near the shores of the Atlantic,  
Where the Osprey soars on high,  
Stands our Alma Mater strong and true,  
With her colors gray and blue.

REPEAT REFRAIN
