

*Summer 2025 Commencement Recessional Exit Plan
(all ceremonies)*

Construction in progress

Summer 2025 Commencement Recessional Exit Plan

Please note construction is in progress to the left of the Arena when facing the Arena building from Osprey Plaza.

- Instructions for the exit order will be explained clockwise, starting with instructions for the bottom left of the document and on the side of the audience facing the stage.
 - Graduates facing the stage on the left side exit fourth following their college's marshals forward and out through the right corner door of the Arena and outside to Osprey Plaza
 - Faculty facing the stage exit second, following the faculty Marshal walking down the pathway in between the two sections of graduates, then turning right to exit out the Arena door into the Arena Lobby.
 - The platform party on the stage exits first, leaving the stage on their right, walking down the pathway in between the two sections of graduates, then turning right to exit out the Arena door into the Arena Lobby.
 - Graduates facing the stage on the right side exit third following their college's marshals forward and out through the right corner door of the Arena and outside to Osprey Plaza.
 - If it is raining, college marshals will lead graduates into a covered hallway through the same exit and into the Arena Lobby.
